Condition Report

PLEASE NOTE, this report only covers two specific items from the Lot, if you require the condition of any other item please request this.

608. Silver cigar cutter - mechanism is a little stiff, the blade appears in working order, there is some build up of dirt/cleaning residue on the blade. A few scratches and small dents to the outer case.

Cigar piercer - has its piercing point which appears in good condition, mechanism is in working well. Typical slight scratching overall.
