

Jewellery / Wed, 4th October 2023 / Lot 709

### LOT 709

A gold, star ruby and diamond cluster ring, claw set with the star ruby within a surround of circular cut diamonds, detailed '18ct Pal-Plat', weight 5g, ring size approx L1/2.

Estimate: £220 - £260

---

### Condition Report

The star ruby we believe to be nature. There are a series of small scratching/areas of abrasion near one claw to the ruby, visible without magnification at a certain angle.

The shank and setting overall are in generally good condition, with typical light scratching/wear.

The diamonds are a little grey in colour, overall clarity SI.

Star ruby measurements approx. 7.30mm x 7.15mm, depth 3.6mm
