LOT 740

A gold and diamond ring, collet set with the principal old cut diamond within a pierced flowerhead shaped surround, further mounted with variously cut diamonds, unmarked, weight 2.5g, ring size approx O1/2.

Estimate: £750 - £850

Condition Report

Two diamonds have chips, one or two others have surface reaching inclusions.

Variation of cut, colour and clarity to the stones.

A few of the claws which help secure the central diamond, alongside the collet setting, are lacking.

One or two of the metal points securing other stones are beginning to show signs of wear.

The shank is fairly thin, particular at the back. It has been resized and there is a small dent to the shank in this area.

Otherwise some light scratching/wear to the shank/setting overall.

Diameter of the head of the ring 1.5cm.
