

Arts and Crafts Furniture / Thursday, 5th October 2023 / Lot 2307

LOT 2307

A Victorian Gothic Revival oak cabinet, in the manner of A.W.N. Pugin, the chamfered corners flanking two carved drawers and a pair of doors, inset with blind tracery panels, height 91cm, width 105cm, depth 52cm (alterations).

Estimate: £200 - £300

Additional Information

2307. It appears that there may have been an extra structure above, possibly an open shelf and then another cabinet above, which you do see in this particular design. There are two grooves in the rear of the two front uprights that may well have been for part of this extra structure.
