LOT 1404

A Royal Worcester ewer, dated 1912, painted by H. Stinton, signed, with Highland cattle, the scroll handle with foliate terminals, puce printed, impressed and painted marks to base, height 29cm (handle restored).

Estimate: £80 - £120

Condition Report

The handle has been broken in at least three places and professionally restored, with another crack near the upper terminal which has some slither chip losses along its break line. Otherwise there are some minor typical surface scratches but the rest of the ewer has no damage.
