

British and Continental Ceramics / Thu, 26th October 2023 / Lot 1556

### LOT 1556

Three unusual Wedgwood pottery child's shoe or boot warmers, late 19th century, each modelled as a cream glazed upright sock, comprising a pair, height 12.5cm, length 11.5cm, and a single, height 10cm, length 10cm, impressed marks.

Estimate: £60 - £100

---

### Condition Report

Each is in good condition overall with no cracks, chips or restoration.

Each has crazing to the glaze and the pair have some light staining in comparison to the single example which has a slightly more creamy appearance.
