

British and Continental Ceramics / Thu, 26th October 2023 / Lot 1703

LOT 1703

A Gien faience rectangular box and cover with removable pierced liner, late 19th century, painted to the exterior with mythical grotesques within a yellow ground geometric border, relief moulded with a pseudo riveted blue strap, the domed cover with foliate handle, the inner liner with twenty-four pierced holes, brown printed factory mark to base, 18.5cm by 12.5cm.

Estimate: £40 - £60

Condition Report

Primarily in good condition.

The base has a minor nick to one base edge.

The inner pierced liner has no damage.

The cover has two small chips - one to a corner and another to the domed edge, with other smaller glaze nibbles to the edges.
