

British and Continental Ceramics / Thu, 26th October 2023 / Lot 1494

### LOT 1494

A Spode Japan pattern part service, early 19th century, pattern No. 1409, comprising bachelor's teapot and cover, height 10cm, slop bowl, nine coffee cans, nine Bute shaped teacups, eight saucers and saucer dish, diameter 18cm, iron red painted marks to bases, together with three matching Felspar porcelain saucer dishes and a small group of Davenport Imari coffee wares (faults).

Estimate: £100 - £150

---

### Condition Report

PLEASE NOTE THIS IS A PARTIAL CONDITION REPORT JUST DETAILING THE SPODE ITEMS IN THIS LOT.

Teapot - spout has two small chips and three tiny nicks to its tip.

Teacups - 3 are cracked.

Coffee cans - one has a small chip to the outer rim edge.

Saucers - one has a fine haircrack.

The remaining Spode items are in good condition overall with no cracks, chips or restoration. The enamels and gilding remain bright and strong with no signs of wear or losses.
