LOT 1631

A rare Worcester Two Quail pattern circular bowl, circular 1770-75, the black pencilled birds in a black rocky landscape between brightly coloured polychrome flowers, the inner rim with an iron red and gilt band, diameter 15.5cm. Note: a similar teapot from the Zorensky Collection was sold at Bonhams, 22nd February 2006, Lot 232; here they remark the colouring of the flowers suggest outside factory decoration.

Estimate: £250 - £350

Condition Report

In good condition overall with no cracks, chips or restoration.

The base interior decoration is completely worn away and the glazed surface is heavily scratched here.

The enamels and gilding otherwise are in good order overall.

There is a minor manufacturers glaze blemish to the outer edge of the foot.
