LOT 1575

A Royal Doulton English Renaissance pattern part service, comprising twelve dinner, soup, salad, dessert and tea plates, eleven two-handled soup bowls and twelve saucers, twelve teacups and eleven coffee cans and twelve saucers.

Estimate: £50 - £80

Condition Report

At first glance the service doesn't look too bad, but when you start to look closely you can see it has been well used, the rims of the cups, cans and soup bowls are worn and the plates overall have noticeable knife cuts and surface scratches, and other areas of wear to the gilding. There are no significant damages or repairs to speak of.
