

Furniture / Thu, 2nd November 2023 / Lot 2029

### LOT 2029

A late 19th century pine kitchen table, fitted with one end drawer, height 76cm, length 167cm, depth 90cm, together with a set of six pine kitchen chairs.

Estimate: £100 - £150

---

### Condition Report

2029. Table is not terribly solid and could do with professional attention. Repair around frieze drawer involving four flathead screws. Areas of heavy age related wear.

Four of the chairs have separation splits through the seats and one chair has very heavy cat scratching to the front of the seat. All are dirty and show signs of heavy use.

Signs of old woodworm to table, but not chairs.
