

Jewellery / Wed, 1st November 2023 / Lot 625

### LOT 625

A gold, emerald and diamond ring, mounted with the cut cornered rectangular step cut emerald between two baguette cut diamonds, detailed '750', weight 5.7g, ring size approx M.

Estimate: £150 - £250

---

### Condition Report

Emerald approx. 4.4mm x 5.2mm x 3.15mm. A couple of surface reaching inclusions to one side of the stone. The emerald has not been set to a gem lab for confirmation but we feel from the inclusions that it has a natural origin. However, we cannot be certain that the stone has not been treated to enhance colour/clarity. Typical light scratching to the shank/setting.
