

Jewellery / Wed, 1st November 2023 / Lot 635

### LOT 635

An 18ct white gold, sapphire and diamond collar necklace, the drop clasp set with the principal circular cut diamond within a surround of six circular cut sapphires and an outer border of circular and baguette cut diamonds, between baguette cut diamond tapered sides, on a foldover clasp, London 1986, weight 21.1g, inside length 12cm, with a case.

Estimate: £1,000 - £1,500

---

### Condition Report

The necklace sits a little askew.

The hinge construction is currently sound but a little fragile.

There are a few nicks/tiny dents in places.

Diamond grading estimation (for guidance only and limited by the setting):

On average VS clarity, I/J colour. Centre diamond approx. 0.30ct,

Diameter of cluster 14.4mm
