

Jewellery / Wed, 1st November 2023 / Lot 580

LOT 580

A platinum cased, diamond and sapphire set lady's dress wristwatch, 1930s, the unsigned square silvered dial with black Arabic numerals, the case mounted with calibre cut sapphires and cushion cut diamonds in a Art Deco geometric design, with a cabochon sapphire set button, later fitted to a white gold woven mesh link bracelet on an engine turned foldover clasp, detailed '585', total weight 29.2g.

Estimate: £700 - £1,000

Condition Report

Unfortunately not working. It does not wind or run.
Since viewing, the minute hand has been lost and is now lacking.
