LOT 221

Francois Boudin - Arch of Titus, Rome, late 19th/early 20th century watercolour with gouache, signed, 37cm x 30.5cm, within a stained wood frame.

Estimate: £50 - £80

Condition Report

221 - Mild discolouration to the oatmeal, rough textured watercolour paper that can be seen along the right edge where the work has dislodged from the mount card. No foxing or stains evident. A slight deterioration of paint pigment colour but otherwise good. The mount is heavily discoloured and the picture backing is relatively loose and held on with masking tape. Many dents and scratches to the frame moulding.
