LOT 190

Reginald Jerrold-Nathan - Portrait of a Lady, identified as Margaret Helen Watson née Urquhart, oil on board, artist's name to labels verso, 74.5cm x 62cm, within a gilt frame.

Estimate: £80 - £120

Condition Report

190 - Some surface dirt probably caused by splashing, this does come off easily. One very small spot of paint loss to the lower right side approx 3mm x 2mm. The paint layer is very stable and this will not deteriorate. Otherwise the painting is in good original condition. The frame looks fairly recent and is in very good condition.
