LOT 3087

A set of 25 Fry's 'Days of Nelson' and a set of 25 Fry's 'Days of Wellington' cocoa trade cards circa 1906.

Estimate: £60 - £100

Condition Report

Both sets generally in good to very good condition. Some age-toning to all cards but the majority of the fronts still appear quite bright commensurate with age. Corners of some are a little bumped, but some remain relatively crisp. Ink to the back of number 16 has run ever-so slightly. Please see scans which also provide an indication as to the condition of this lot.
