

Jewellery / Wed, 29th November 2023 / Lot 664

LOT 664

A 9ct gold and garnet oval pendant, mounted with the principal oval cabochon garnet within a surround of circular cabochon garnets, length 2cm, with a gold twin oval link neckchain on a boltring clasp, detailed '375', length 45cm, a 9ct gold, emerald and diamond oval pendant in a floral openwork design, with a 9ct gold curb link neckchain, and a 9ct gold and varicoloured gem set four stone pendant with a 9ct gold neckchain, total weight 8.3g, with three cases.

Estimate: £120 - £160

Condition Report

664. Garnet pendant and neckchain - both in good condition.

Emerald & diamond pendant - emeralds of medium to pale saturation with varying degrees of inclusions, some surface reaching. In general the modern emeralds are treated to enhance colour and clarity. Chain in good condition.

Varicoloured gemset pendant - gold slightly discoloured but a jeweller should be able to clean this. Gemstones in good condition. Chain in good condition.
