LOT 2341

A group of eleven mainly late Victorian and Edwardian silver bookmarks of trowel design, including one with agate inset handle, Birmingham 1897, length 9cm.

Estimate: £200 - £300

Condition Report

2341. The overall condition is generally quite good with some slight surface wear and scratches. Two of the hardstone set bookmarks have tiny nicks to the stones and the skull bookmark has probably had the skull applied as a replaced finial.
