## LOT 2018

A mid-Victorian mahogany twin pedestal desk, the moulded edge top inset with tooled green leather above an arrangement of mahogany-lined drawers, height 77cm, width 123cm, depth 61cm.

Estimate: £80 - £120

---

## Condition Report

2018. The desk is generally in good condition but does have a few minor faults. There is a thin crack to the right side edge of the top and two of the handles have damage to the flange where it meets the drawer front. One drawer has had the interior runners removed, but cannot say why this has been done.
