LOT 48

Henry Stacey Marks - White Stork in a Wetland Landscape, 19th century oil on canvas, signed, 96cm x 60.5cm, within a painted wood frame.

Estimate: £2,500 - £3,500

Condition Report

48. Generally in good condition. Very small area of paint loss near the standing leg. A few flecks of emulsion or similar paint to the bottom-left quarter. UV examination does not highlight anything of concern, but highlights a small test clean above and on the head. Any previous restorations are sympathetic. Later frame in good condition.
