

Jewellery / Wed, 29th November 2023 / Lot 734

LOT 734

A gold, opal and diamond ring, mounted with five graduated oval opals and four pairs of diamonds at intervals between scroll pierced sides, London 1982, weight 5.2g, ring size approx O, with a case.

Estimate: £160 - £190

Condition Report

Some rubbing/scratching to the opals overall.

One of the outer opals has a chip below a claw.

Some light wear to the sides of the setting, slight thinning to the back of the shank. Overall with typical light scratching to shank/setting.

One or two claws beginning to show signs of wear.
