### LOT 1749

An Amanda Brisbane art glass sculpture of a fish, 1990s, the blue glass sand cast, engraved signature, length 42cm, together with a similar model of a crab, unmarked, height 21cm. Provenance: from the collection of John and Poppy Stallebrass.

Estimate: £100 - £150

### Condition Report

Both pieces in good condition with no damage or repair.

The underside of one of the crab claws has a small rectangular piece of glass, approx 1cm long by 0.5cm wide, glued to it - I would suggest this is since manufacture and is to stabilise the sculpture when it is stood on its claws.
