LOT 1803

A glass model of an elephant, Napoleone Martinuzzi, Venini, the blue body with gold flecked detail, standing four square, unmarked, height 20cm. Provenance: from the collection of John and Poppy Stallebrass.

Estimate: £300 - £500

Condition Report

The manufacturing pontil would seem to be situated underneath the tail, it is noticeable with sharp raised edges, one of which has a small crack/fissure to its surface. Please see image 7 on our website. Otherwise the elephant is in good condition with no damage or repairs.
