

Cameras and Scientific Instruments / Thu, 7th December 2023 / Lot 1299

LOT 1299

A Leica Ic camera, Nr. 520300, circa 1950-51, with Elmar f=5cm 1:2.8 lens, Nr. 1495102.

Estimate: £400 - £600

Condition Report

1299. The camera is in generally good condition, a little dusty so would benefit from a clean. Otherwise, only typical light surface scratches and wear, but no significant damage. Applied black body in good order. Good clear view through viewfinder. Winds smoothly and fires. Lens in good condition.
