

Clocks and Barometers / Thu, 7th December 2023 / Lot 1283

### LOT 1283

A Victorian marine chronometer, the two day chain fusee movement with maintaining power and bimetallic compensated balance, the 4-inch silvered dial with black Roman hour numerals and subsidiary state of wind and seconds dials, inscribed 'Shepherd & Son Makers to the Royal Navy, 53 Leadenhall St London 1737', housed in a brass bowl, diameter 12cm (glass lacking), together with a brass mounted mahogany box (faults and lacking gimbal mounts). Note: Shepherd & Sons are recorded London chronometer makers working from their Leadenhall Street premises circa 1860.

Estimate: £80 - £120

---

### Condition Report

1283. Movement does not run as the fusee chain is broken.
