

Firearms and Edged Weapons / Wed, 10th January 2024 / Lot 3214

### LOT 3214

An 1898 pattern Lee-Metford second pattern bayonet by Mole, with double-edged blade, blade length 30.5cm, and wood plate grips, with steel-mounted leather scabbard, together with a Sam Browne belt with bayonet frog, an early 20th century gunsight and a group of Burmese matchlock rifle powder protectors.

Estimate: £40 - £60

---

### Condition Report

3214. Bayonet has surface rust to steel fittings. Blade looks clean but probably cleaned in the past. Leather work looks ok, but does need replenishing. Belt looks ok, leather has splits and is worn, needs replenishing overall.
