

Jewellery / Wed, 24th January 2024 / Lot 627

LOT 627

A diamond, cultured pearl and grey tinted cultured pearl brooch in an openwork design, the front with a pear shaped cultured pearl drop, unmarked, weight 8.7g, width 3.1cm, length 4.5cm.

Estimate: £150 - £250

Condition Report

Grey tinted pearl have some slight pitting, scratching, unevenness to surface.

Drop shaped pearl has a surface chip/peeling, with a few scratches.

The brooch fitting can be removed, it is likely gold but unmarked. The piece is untested, so it is unknown if the setting is white gold or platinum.

Diamonds are generally SI clarity and I/J colour.

Suggested age - possibly first half 20th century.
