LOT 2012

A set of eight early Victorian rosewood spoon back dining chairs with carved foliate centre rails and turned baluster legs, height 84cm, width 47cm.

Estimate: £150 - £250

Condition Report

2012. Thin cracks to one upright back support. One of the chairs has a slight wobble to the frame. There are some minor, typical surface marks and scuffs to the chairs. Some of the chairs do have evidence of old woodworm to the seat rails.
