LOT 2006

A Victorian white painted cast iron garden bench, possibly by Coalbrookdale, the back with central hunting dog reserve above substantial seat slats and bird and butterfly supports, height 84cm, width 132cm, depth 54cm.

Estimate: £200 - £400

Condition Report

2006. Very solid and generally in good order. There is one later fitted bracket to the back frame to help secure a screw, but otherwise just some areas of light rust.
