LOT 619

A single row necklace of forty-one graduated oval varicoloured butterscotch coloured opaque and semitranslucent amber beads, gross weight 18.5g, length 55.5cm, length of largest bead 1.7cm, length of smallest bead 0.7cm (broken), a single row necklace of translucent spherical amber beads, another amber bead necklace and a bracelet.

Estimate: £50 - £70

Condition Report

Butterscotch amber necklace - clasp has become detached from one side of the necklace, requires re-stringing. Some wear overall, the smaller beads with a lower lustre and more heavily worn. Some general crazing and typical small surface blemishes.

Other two necklaces - fairly good condition, no obvious chipping. Clasps both work.

Bracelet - loose stringing, will need to be re-strung. Some nibbles and chips to individual pieces. Some scratching too.
