

Jewellery / Wed, 24th January 2024 / Lot 652

### LOT 652

A single row necklace of graduated seed pearls on a gold, diamond and seed pearl cluster clasp, detailed '15ct', width of clasp 1.3cm, total length 41.5cm, with a case with applied presentation plaque.

Estimate: £250 - £350

---

### Condition Report

PLEASE NOTE - whilst on view the thread of the necklace has frayed and broken. No pearls have been lost and are still with the lot. This will have happened due to the age of the piece and can be resolved once re-threaded. Please see the updated image on our website.
