

Jewellery / Wed, 21st February 2024 / Lot 696

LOT 696

A gold and diamond three stone ring, claw set with a row of cushion cut diamonds, the principal diamond mounted at the centre, detailed '18ct', weight 2.8g, total diamond weight approx 1.00ct, ring size approx Q.

Estimate: £200 - £300

Condition Report

There are a few splits and solder repairs to the pierced sides.

The shank has been resized in the past, some slight wear.

Claws appear to be in fairly good condition.

Possible age - first half 20th century

Diamond gradings (estimations/limited by the setting): old cut stones, central stone colour J/K, side stones colour G/H, clarity on average SI.
