LOT 2173

A 19th century ash and elm stick and bar back Windsor armchair, height 88cm, width 58cm, depth 53cm.

Estimate: £150 - £200

Condition Report

2173. Scuffed and marked generally, but in reasonable condition. Slightly unusual armrests made with two joined pieces of ash, but looks original, rather than an addition. Possibly a later top rail, but again could be original.
