LOT 2059

A large late 20th century Lutyens design wooden slatted garden bench, height 104cm, width 227cm, depth 63cm.

Estimate: £200 - £400

Condition Report

2059. Overall typical weathering. One front to back support has shrunk and is now not quite spanning the depth of the seat, so this could do with replacing as in time the slats might suffer.
