LOT 771

A gold and coral oval brooch, carved and pierced with flowers, detailed '9ct', weight 9.1g, width 3.5cm.

Estimate: £80 - £120

Condition Report

No obvious cracks, one or two tiny surface nicks, only noticeable under a 10x loupe.

Some natural surface flaws to the coral here and there, dirt has collected in these areas.

All claws in good condition.

Slightly bent pin, but in working order.

Typical light scratching to the setting.
