

Jewellery / Wed, 21st February 2024 / Lot 635

LOT 635

A gold and sapphire cluster ring in a stylised raised flowerhead shaped design, detailed '18K', weight 5.2g, ring size approx L1/2, with a case.

Estimate: £200 - £300

Condition Report

Central sapphire has a fracture running across the stone on one side, it is at risk of breaking.
Typical light scratching to the shank, otherwise in fairly good condition.
