LOT 645

A gold and jade necklace, the five oval jades with carved decoration, otherwise with foliate motifs at intervals, detailed '14K', weight 11.7g, length 45.5cm, and a pair of gold and jade earstuds, each mounted with a circular jade cabochon, with post fittings, unmarked, weight 2.9g, length 1.6cm.

Estimate: £140 - £180

Condition Report

Earstuds - jades are likely treated. One pin is broken, appearing shorter than the other. Some wear to the metal.

Necklace - one or two jades with some surface reaching inclusions, otherwise minor wear/scratching to the piece overall.
