LOT 687

A 9ct gold and bloodstone oval signet style ring with scroll engraved shoulders, London 1966, weight 12.3g, ring size approx Q1/2.

Estimate: £80 - £120

Condition Report

A few nibbles to the edge of the bloodstone, with one or two small scratches to the table.
Some fairly heavy scratching to the shank, though the engraved decoration is still pretty well defined.
