LOT 770

A silver filigree and coral bracelet, probably Chinese, circa 1920, the coral carved and pierced with mythological animals, otherwise with filigree floral decoration, detailed 'Silver China', weight 33.6g, length 17cm.

Estimate: £80 - £120

Condition Report

The corals look to be original to the piece.

Minimal damage evident to the corals.

The bracelet was likely originally silver gilt, but it has largely lost this gilding.

One or two of the hinges are showing signs of wear.
