

British and Continental Ceramics / Thu, 29th February 2024 / Lot 1466

### LOT 1466

A Doulton Lambeth stoneware jardinière stand of cylindrical shape, decorated with tall stems of stylized sunflowers against a blue ground, impressed and incised factory marks, height 46.5cm (faults), together with a matched large Doulton stoneware jardinière, height 30cm (restored).

Estimate: £50 - £70

---

### Condition Report

1466. Stand has some minor scuffs and surface marks, as well as a surface knock to the top, but the crack that issues from the knock does not continue into the body.

Jardinière has substantial faults and restoration.
