

British and Continental Ceramics / Thu, 29th February 2024 / Lot 1586

LOT 1586

A Minton Parian figure group Amazon, dated 1866, after the model by J.J. Feuchère, impressed factory marks, height 38cm (restored).

Estimate: £60 - £100

Condition Report

1586. Restoration to right arm of figure from shoulder to elbow and also to horse's left front leg at join to body. Otherwise a few areas of minor rubbing to edges and corners. There is a thin 3cm firing fault to the front of the base. Small section of possible restoration to thin branch connected to base.
