

British and Continental Ceramics / Thu, 29th February 2024 / Lot 1477

### LOT 1477

Sixteen small ornithological Royal Worcester plates, dated between 1913 and 1939, painted by Powell, signed, with named bird subjects, comprising six of 15.5cm diameter with gilt dentil rim, four of 12cm diameter with gilt dentil rim, and five of 11.7cm diameter with gilt edged rim, various printed, painted and impressed marks, together with a pair of Grainger & Co Worcester plates, decorated with birds, diameter 14cm.

Estimate: £200 - £300

---

### Condition Report

1477. Please note, there are actually four of approx 15.5cm diameter, three of approx 14.8cm diameter - of these two have hairline cracks, two are crazed and another has a heavily scratched puce mark, possibly a second quality piece. Two gilt edged rimmed are crazed.

All others in fairly good condition, no chips, cracks or repairs.
