LOT 1445

An impressively large Sarreguemines pottery circular charger, circa 1900, the burgundy ground tube lined with a central display of poppies, the rim with Secessionist style decoration in majolica type glaze colours, turquoise glazed underside, impressed factory mark, diameter 63.5cm.

Estimate: £150 - £200

Condition Report

1445. Generally good condition with no significant damage or repairs. Typical light crazing to glaze. Typical minor surface scratches and wear. A little dirty and dusty so would benefit from a clean. Some light discolouration to turquoise glazed underside. Good vibrant decoration.
