LOT 1557

A collection of Portmeirion Botanic Garden pattern tablewares, including six dinner plates, five pasta bowls, eight dessert plates, seven cereal bowls, three jugs, butter dish and cover, four cups and saucers and some cutlery, together with a Royal Worcester Worcester Herbs pattern cake plate (minor faults).

Estimate: £80 - £120

Condition Report

The service has obviously been used as the cereal bowls and saucers in particular display wear/surface scratches and some staining. The mugs and cups also need a wash.

The smallest jug has chipping to the spout.

Otherwise the pieces are generally in good order with no significant damage or repairs.
