### Condition Report

1156. PLEASE NOTE, this report covers one specific watch in the Lot, if you require information on the separate watch case in the Lot, please request this.

Eterna Sonic Electronic - the watch is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

However, the hour hand does not move so unable to tell if the date rolls over as it should, the date does adjust smoothly from the winding button though.
