

Clocks and Barometers / Thursday, 7th March 2024 / Lot 1300

LOT 1300

An 18th century thirty hour longcase clock movement, striking on a bell via an outside countwheel, the 10-inch brass dial with matt centre, the silvered chapter ring with black Roman hour numerals and inscribed 'Jno Petching Stayning', together with an 18th century eight day longcase clock movement, the 14-inch brass dial inscribed 'Robert Holmes Dublin' (faults).

Estimate: £60 - £100

Condition Report

1300. The Dublin dial and movement is in pretty poor condition. It has obviously been stored in damp conditions and there is rust and verdigris which can be seen in the online images. Crack to chapter ring at 11 o'clock and other typical wear. Missing subsidiary seconds hands. Movement looks intact but would likely require service to get running.
