LOT 2510

An early 20th century cast bronze inkwell in the form of a dog's head with inset glass eyes, height 11cm, together with a pair of cast bronze novelty inkwells in the form of owls, width 23cm.

Estimate: £100 - £150

Condition Report

2510. The dog's head has a slightly wobbly hinge, but otherwise is fine.

The two owl wells have some minor rubbing to a few high points. Only one liner in one of the owls.
