LOT 2172

A 17th century and later oak side table, the frieze carved with a band of stylized leaves, height 73cm, width 93cm, depth 40cm. Provenance: collection of notable Arundel-based artist Ann Sutton O.B.E.

Estimate: £50 - £80

Condition Report

2172. Made from mostly 17th century elements probably in the Victorian period. Inserted section of wood at rear of top. Historic woodworm deterioration around lower leg areas, and overall wear.
