LOT 2030

A late 19th century George II style mahogany and parcel gilt wall mirror, the breakfront pediment and outer border with egg and dart mouldings, height 120cm, width 74cm.

Estimate: £100 - £200

Condition Report

2030. Gilt ornament appears to be carved wood. Some overall minor surface wear and some minor chips to edges of carving. The four rose heads are slightly loose and there is some slight loss to the greek key mouldings. The plate glass has some minor foxing.
